## P R E F A C E

This Schroeder family record is dedicated to our grandparents, Mr. and Mrs. Heinrich Schroeder, who for the sake of their spiritual welfare and that of their descendants left their home and country and came to this North American continent. We know that they loved all of us. It was my privilege to comfort them at their sickbed only a day before their death. They have been laid to rest, awaiting the day of resurrection when they shall be with their Lord and Saviour forever.

It has been impossible during my life time to meet all of my relatives, nevertheless, they have not been forgotten. I call them my loved ones and when I pray I ask the Lord to lead, guide and direct each one so that we may meet at Jesus' feet in Heaven.

The preparation of this family record has not been an easy task and my leisure time during the past ten years has been taken up with it. To begin with I searched carefully through three Church records for the necessary information, then wrote many personal letters to my cousins. Some of the relatives were hard to locate and others did not reply, making some records very incomplete. Even though I tried to get all the information up to date I know there will be mistakes and perhaps misspelled names, but that will give someone a chance to improve upon this.

I want to thank all for their fine cooperation in supplying the information. I am also grateful to Miss Joyce Schroeder for typing this record for me. I trust you shall all receive your copy of the Schroeder family record. May the blessing of the Lord rest upon each of you.

—Cousin Henry R. Schroeder
